

she continues to use her time to serve education-related organizations, proving that her advocacy for young people did not end with her retirement.

She is a graduate of Tempe Leadership Class XVI and is the president of the Tempe High School District Education Foundation, vice-president of the Tempe Impact Education Foundation and is active on the Tempe City Council's Education, Technology and Economic Development Committee.

A community's quality of life is determined by many factors, such as the policies set by city government and the programs available to its citizens. However, I believe that a community rises and falls on the shoulders of its citizens, and the contributions they make to that community. Sharon exemplifies this commitment and raises the bar for everyone around her. I am proud to call Sharon Doyle a friend, and I commend her on her continued service to the young people of our community.

Sharon, congratulations on a job well done. Keep up the good work!

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2008

Mrs. BACHMANN. Madam Speaker, I rise today to pay tribute to the members and leadership of the Twin Cities North Chamber of Commerce. This weekend, the more than 500 corporate citizens of the Twin Cities North area that make up the Chamber, will celebrate their 50th anniversary at their Glitz & Glamour Gala.

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2008

Mr. MITCHELL. Madam Speaker, I rise today to recognize Dr. Marwan Sabbagh, a nationally renowned neurologist who has dedicated his career to finding a cure for Alzheimer's disease. As the founder and director of clinical research at Sun Health Research Institute's Cleo Roberts Center for Clinical Research, Dr. Sabbagh is working to develop new tools and treatment options for those who have been diagnosed with this tragic disease.

Dr. Sabbagh and the Sun Health Research Institute are partners in the Arizona Alzheimer's Consortium. This Consortium is a leading model for statewide research centers that build upon the strengths of participating institutions. As a member of the Congressional Task Force on Alzheimer's disease, I am proud of the groundbreaking research and education that is being done in my home state of Arizona.

Later this week, I will join Dr. Sabbagh as he celebrates the release of his latest book, "The Alzheimer's Answer". This book provides readers with the latest facts about the disease, real tips for prevention, and information on current diagnosis and treatment options. As we continue to learn more about the crisis this disease presents, reducing our risk and promoting wellness is more important than ever.

Madam Speaker, in addition to Dr. Sabbagh's work with the Sun Health Research Institute, he is also a scientist in the Department of Neurology at Mayo Clinic Scottsdale and serves as an adjunct professor at Midwestern University and Arizona State University. Dr. Sabbagh currently resides in Scottsdale with his wife Ida and their two sons, Habib and Elias. The work that Dr. Sabbagh has done, and continues to do, will greatly benefit our nation. I am proud of his accomplishments and congratulate him on his book release.

A TRIBUTE TO LOUIS B. BURGELIN

HON. GEORGE MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 28, 2008

Mr. GEORGE MILLER of California. Madam Speaker, I rise today and invite my colleagues to join me in honoring Louis B. Burgelin, of Vallejo, California, for his many accomplishments and contributions to our community. Louis has provided remarkable leadership to countless organizations during his lifetime and the good citizens of our community have been the beneficiaries.

Louis Brosnahan Burgelin was born in Vallejo, California, on January 20, 1916, to Otto and Frances Burgelin. One of three children, Lou started his education at St. Vincent's Elementary School at the tender age of 4. During his years at Vallejo High School he studied hard but also spent a good deal of time playing football and tennis and perfecting his ability as a track sprinter. Following his high school graduation in 1932, Lou entered UC Berkeley for 2 years of study before transferring to the Mare Island Naval Shipyard Apprentice School. Lou graduated as a Marine Machinist and began an illustrious career. Quickly rising to management positions, Lou's leadership was instrumental in the success of several of our country's shipyards. At Hunter's Point in San Francisco, Lou served as both Head Progressman, and Labor Relations Superintendent. During his time at Mare Island in Vallejo, he served as Chief Progressman, Workload and Scheduling Manager, as well as the Production Equipment and Construction Manager. At Norfolk Naval Shipyard Lou was the Production Control Manager.

After retiring from the Federal Service in 1972, Lou served for 19 years as the Executive Secretary of the Armed Services Committee of the Vallejo Chamber of Commerce. He participated in the acquisition of more than \$200 million in project authorizations for Mare Island. He was also instrumental in maintaining the dredging operations so necessary for shipyard operations.

Over the years, Lou Burgelin has also donated his time and talent to countless professional and community organizations. He is a Charter member of the Naval Civilian Manager's Association and served as both local and national President. He also served as President of the Navy Yard Association of Mare Island and the Council of Naval Employee Groups, representing all of the employees of the West Coast Naval Shipyards. He has been elected National Vice President of the Retirement Federation of Civil Service Employees, the first Chairman of the Combined Federal Campaign for Napa and Solano Counties, the first Chairman of the Vallejo Senior Citizens Council and the President of the Vallejo-Napa United Way. Lou has served as President of the Vallejo Chapter 16 of the National Active and Retired Federal Employees Association (NARFE) and he is a long-standing member of the Vallejo Salvation Army.
